Who  
we  
are.

## WHO WE ARE

- PAX Staffing Dynamix was founded in 2011 as a retail staffing solution. Uniquely we provide a 360 solution achieved through above normal effort, dedication, and meticulous in delivering more than what our clients expect from a service provider.
- It is our view and proven through experience that only by following this approach and having the right staff, will we be in a position to grow and expand our business in the staffing and resourcing environment.
- There are many competitive businesses operating in the staff placement business, and as such the only way PAX Staffing Dynamix sets itself apart is by providing a solution that compliments and supports each of our individual client and customer needs.

**MISSION: To offer a composite solution offering to our clients that will be regarded as above all, personal and exceptional of sustainable high quality.**

## WHAT WE DO

- Our defined objective is the provisioning of specialized staffing solutions to our customer base through the processes of recruitment and placement.
- The main mission of PAX Staffing Dynamix is to offer a composite solution offering to our clients that will be regarded as above all, personal and exceptional of sustainable high quality.
- To achieve our goal, we believe we need to work hand in hand with our customers to identify and target the specific skilled resources required to allow them to fulfill their objectives.
- By identifying and attracting the best possible candidates for each client is where the skill lies, and this is where we believe PAX Staffing Dynamix provides a unique value offering.
- Cognizance is taken of the fact that, although the client is the target and our main focus, the service provided by our staff members cannot be ignored or underestimated .
